# Black Brits honoured by Royal Mail

SOME of the nation's landmark red post boxes are to be painted black to honour black Britons both past and present, including Sir Lenny Henry (*above*) and nursing pioneer Mary Seacole.

Royal Mail said that four postboxes – in London, Glasgow, Cardiff and Belfast – have been painted black with a gold trim as part of Black History Month in October.

Each of the special edition postboxes has a social media link and features a significant figure in the British black community.

Peter De Norville, Royal Mail's head of diversity and inclusion, said: "We're also using it as an opportunity to celebrate the vital work our black employees do throughout the nation, from the mail bag to the meeting room."

# Comeback for home buying

**THE number of mortgage approvals made to home buyers jumped to its highest level since 2007 in August, the Bank of England says.**

**Some 84,700 approvals were recorded, marking the highest number since October 2007.**

**The Bank said the jump only partially offsets weakness seen between March and June.**

**In total, there have been 418,000 approvals in 2020, compared with 524k in 2019.**

**The housing market was effectively closed for business earlier this year when COVID-19 social distancing measures made home buying and selling very difficult.**

# SUPERMARKET BOSS TAKES OVER TEST & TRACE

IN THE MONEY: Coupe

**THE former chief executive of Sainsbury's is set to take over as Testing Director at NHS Test and Trace.**

**Mike Coupe, who retired as chief executive officer of Sainsbury's in May, will replace Sarah-Jane Marsh who is returning to her post as chief executive of Birmingham Women's and Children's NHS Foundation Trust.**

**Baroness Dido Harding, who runs NHS Test and Trace and is also interim executive chairwoman of the National Institute for Health Protection, said in an email to staff that Mr Coupe – who'll be in the role until Christmas – "will bring a wealth of experience in large scale supply chains, logistics and digital transformation".**

**It is understood he.**

**Baroness Harding said in the email, seen by the Health Service Journal, that "Sarah-Jane has led the team with unparalleled drive, compassion and humour" and the agency had been "incredibly privileged to be able to 'borrow' Sarah-Jane for the last five months".**

**She added: "There will be plenty of time over the next month to say thank you for the extraordinary job she has done and in the meantime I am confident she will be pushing us all hard to ensure we hit our 500k target (of daily testing capacity at the end of October), just as the testing team have hit every other target that they have ever been set."**

**In 2018, Mr Coupe was forced to apologise after being caught singing *We're in the Money* in between interviews about a merger with supermarket giant Asda.**

NO ANSWERS: Education Minister Gillian Keegan

## Minister admits that she *DOESN'T UNDERSTAND* lockdown pub rules

**By JEROME LEAVER**
news@sundaysport.co.uk

**BEEN left baffled by the Government's sort-of lockdown rules?**

Well, don't worry – even MINISTERS don't have the foggiest what they mean, either!

A Government minister was unable to clarify whether new restrictions banning households in swathes of north-east England from meeting indoors applies to pub and restaurant gardens.

Labour said ministers "don't know what's going on", after Gillian Keegan said she did not fully understand the new rules, just 15 hours before they were to be imposed today.

Health Secretary Matt Hancock had announced a tightening of measures for Northumberland, Newcastle, North and South Tyneside, Gateshead, Sunderland and County Durham.

Aimed specifically at stopping a resurgence of coronavirus, his department said laws would ban inter-household mixing indoors, including in pubs and restaurants.

But some questioned whether this would include meeting people from other homes outside in hospitality settings.

Asked on BBC Radio 4's *Today* programme yesterday, Education Minister Ms Keegan said: "I'm sorry I can't clarify that. I don't know the answer to that question… but I'm sure they can find out the answer to that question."

Pressed on how people are meant to keep up to date with the latest restrictions, when ministers can't, she said: "I'm sorry I can't answer that question. I'm sure there are many people who could.

"I don't represent the North East."

Labour quickly seized on the failure to clarify the confusion over the laws, set to be imposed after midnight today.

Shadow Health Minister Alex Norris said: "It speaks volumes that even the Government's own ministers don't know what's going on.

### Incompetence

"This will do little to inspire public confidence in the North East and across the country.

"The Tories' incompetence is hampering our response to this pandemic."

# Johnson cast 'dark shadow' over EU deal

BORIS Johnson cast a "dark shadow" over EU trade deal negotiations with his threat to break international law over Brexit, a German minister has warned as talks resumed in Brussels.

Michael Roth warned the UK not to "play games" as he said the PM's legislation that could override his own Withdrawal Agreement had jeopardised trust.

Both sides have continued to clash over the Government's controversial UK Internal Market Bill, which prompted Brussels to threaten legal action if it was not changed by the end of the month.

Europe minister Mr Roth said both sides now must "work with urgency to find a sensible solution" and warned "trust has suffered a lot recently" over the controversial Bill being debated by MPs.

He added: "The EU cannot and will not accept this approach. It is casting a dark shadow over the ongoing negotiations."

# Nokia lands 5G contract

**NOKIA has signed a major deal with BT that will make it one of the winners from the 5G ban on Huawei.**

**The agreement makes the Finnish company BT's largest equipment provider, supplying base stations and antennas to radio sites across the UK used by the EE 5G mobile network.**

**As well as being picked as a 5G radio access network vendor, Nokia will also take on work across BT's 2G and 4G networks.**

**The fallout for Chinese firm Huawei comes after the Government decided in July to ban it from having a role in the country's 5G network, owing to tougher US sanctions restricting Huawei's ability to build chips.**

**British telecoms firms were told to remove Huawei equipment from the 5G network by 2027 and stop purchasing new 5G equipment from it by the end of the year.**

# GREGGS TO CUT JOBS AFTER FURLOUGH

BAKERY chain Greggs has hinted at possible job cuts as the Government's furlough scheme comes to an end.

The company, which employs 25,000 workers, expects business activity to "remain below normal for the foreseeable future".

### Unions

It said it had reviewed staff costs and was consulting with unions and employee reps.

Greggs said it wanted to reduce the risk of job cuts by putting people on reduced hours.

However, it is not clear if the company will use the Government's new Job Support Scheme, where employers and the state top up workers' pay who are on fewer hours.

The scheme will replace the existing furlough programme which ends on October 31.

Most of Greggs workforce had been placed on furlough during lockdown, and the firm was unable to take part in the nationwide Eat Out to Help Out scheme in August because its shops with seating were closed.

## Will gorgeous Sharon Stone replace Kim in new movie?

**BREAST CHOICE:** Sharon may replace Kim (*circled*)

By JUSTIN DUNN news@sundaysport.co.uk

**THE rift between former *Sex and the City* co-stars Sarah Jessica Parker and Brit-born Kim Cattrall has been one of the more entertaining showbiz spats.**

But one thing is certain, Kim will NOT be reprising her role as cock-crazed maneater Samantha in any new *Sex and the City* movie.

The comedy drama moved to the big screen for two films in 2008 and 2010, but a third instalment never got off the ground as star Kim Cattrall reportedly refused to appear.

Now there has been talk about whether Kim's part should be recast.

Sharon Stone – famous for flashing her MINGE and tits in *Basic Instinct* – is one name fans are touting.

And now Cynthia Nixon – who played Miranda – says she's all for it.

She said: "I think Sharon would be, of course, totally amazing.

"Kim was great as Samantha, I think Sharon would totally make it her own."

Sharon herself said she would be "honoured" to work with Cynthia again.

Addressing her public feud with SJP over comments made at the time of her brother's death, Kim said that she has "no regrets" about hitting out.

# Con comes a cropper in chopper

AN ex-con was busted for hijacking a helicopter to break his wife out of jail – after he used his own name to book it.

Mike Gielen and two other men chartered the chopper on the pretext of taking aerial shots for a TV show.

But convicted drug smuggler Gielen, 24, actually planned to use the aircraft to spring wife Kristal Appelt from a prison, where she was being held on suspicion of murdering an ex-boyfriend.

After taking pictures of local landmarks from the air, Gielen and his accomplices pulled out fake handguns and ordered the pilot, a 35-year-old woman, to fly to the lock-up.

The helicopter circled over the prison several times, eliciting cheers from the inmates.

Gielen's plot was foiled after the pilot was unable to land in the prison courtyard, so he ordered her to fly a nearby town where a getaway car awaited.

He and two other suspects, aged 18 and 22, were nabbed after cops traced their names back to the helicopter booking forms in Antwerp, Belgium.

**But he said that there appeared to be a "significant problem" between supply and demand in England after pharmacy chains like Boots suspended online bookings.**

**Prof Marshall said: "We order flu vaccines at least six months in advance.**

**"The orders were put in before the Covid crisis was recognised, so what we're doing in general practice is prioritising those in greatest need."**

The actress shared a snap of herself posing completely naked in a lush back garden.

While the picture delighted most fans, there was one Instagram user who was not amused – her teenage daughter Apple Martin, 16.

### Toned

"MOM", Apple – who is not actually an apple – commented.

The stunning snap captured Gwyneth posing with her body partially angled towards the camera.

She strategically protected her modesty with her crossed arms and bent leg, but revealed her toned tum.

In the caption, Gwyneth thanked everyone for their birthday wishes while also plugging her lifestyle brand Goop.

"In nothing but my birthday suit today... thank you all so much for the birthday wishes and thank you to @ goop's insanely amazing brand new body butter for making me think I can still get my kit off. #*goopgenes*".

But going bare is no big deal for Gwynnie – as these stills from some of her previous roles show!

# THE END OF THE (*OFFICE*) AFFAIR

## COVID and bosses killing off workplace nookie

THE office affair is dead – killed off by the COVID crisis and HR managers banning sex between staff, a new survey has found.

Just five per cent of men and seven per cent of women would consider dating a colleague in future, the study shows.

The vast majority of employees said they fear their career would be damaged if they started dating a co-worker.

Just over half of men and women HAVE dated a work colleague in the past but only two per cent of either sex have done it in the past year.

The figures are from a survey of 2,000 people by *IllicitEncounters.com*, the UK's leading affairs site. It found that a fifth of men and a quarter of women have had sex with a colleague in a work situation – in the office or at works party.

Almost all men and women say they work with someone they are attracted to, even if they are married.

### Intimate

But similar numbers of both sexes said they have been put off from seeking relationships at work due to HR policies banning work romances.

The most likely place for a work romance to start is at the office Christmas party.

Other popular spots for workplace affairs included the pub after work and office sports facilities but the bug has wrecked chances for romances in the last year with 90 per cent fewer offices open than before the pandemic.

A big factor in the recent decline in office affairs is high profile cases such as that of former McDonald's chief Steve Easterbrook, 53, who is being sued for £35m by the fast food chain over relationships with female co-workers.

The firm's rules ban intimate relationships between employees.

*IllicitEncounters.com* sex expert Jessica Leoni said: "People were scared to bed a colleague before the pandemic because they feared they would be fired. Now there's the risk of infection, and anyway many of us are working from home."

# Beeb's new DG says he'll sack Twitter tw*ts

THE BBC's new Director General Tim Davie has said he will be prepared to sack presenters who break impartiality guidelines on social media.

Mr Davie, who became DG earlier this month, said the social media rules would be announced in the coming weeks, and would apply to all staff.

He said: "I am prepared to take the appropriate disciplinary action, all the way to termination," adding that he would also be able "to take people off Twitter" if necessary.

His comments come after criticism of stars such as Gary Lineker (*above*), who has courted controversy in the past for sharing his political views.

Pressed on how people could be removed from Twitter, Mr Davie told the House of Commons Digital, Culture, Media and Sport select committee that in some cases he would ask staff to suspend their Twitter accounts if they wanted to continue working for the BBC.

# BLIND TORY PEER 'GRABBED MASSEUSE'S BUTTOCKS'

## Court hears former Paralympic GB swimmer asked if woman did extras

**By COLIN HURST**
news@sundaysport.co.uk

**A TORY peer and former British Paralympic champion grabbed a masseuse's bottom at a five star hotel's spa, a court heard.**

Lord Christopher Holmes of Richmond MBE, 48, allegedly pointed to his crotch and asked if the woman did 'extras' on March 7 last year.

Holmes, who is visually impaired and a life peer in the House of Lords, is Britain's most successful Paralympic swimmer, with a total of nine gold medal, five silvers and one bronze. Following his retirement he was elevated to the House of Lords in 2015.

Holmes – joined in the dock by his assistance dog, black Labrador, Nancy – yesterday denied a charge of sexual assault at London's Southwark Crown Court.

Prosecutor Linda Strudwick told jurors Holmes had booked a one and a half hour spa massage at the central London hotel.

She said: "Towards the end of the massage, Lord Holmes grabbed her arm. He sat up.

"He asked how old she was then he asked her 'can I see how you look?'

"She was unsure about what he meant but assumed that it meant could he touch her face.

"She allowed him to do this, but then feeling uncomfortable she began to move away.

"Mr Holmes stopped her by grabbing her buttocks. He said 'nice' and he asked if he could touch her boobs.

### Crotch

"She said 'no'.

"He asked if she 'did extras' and pointed towards his crotch.

"She said 'No, I am a professional'."

The shocked woman, finished the massage and wordlessly handed him over a robe, the court heard.

She went straight to her manager and also told her work agency, jurors heard.

Holmes had been given disposable underwear to wear during the massage.

Ms Strudwick said: "This underwear appears to have become broken, we have no idea whether that was intentional or accidental, but it is right to say that these garments not the sturdiest of underpants.

"Mr Holmes asked if he could take them off and she said he could, provided he ensured that the towel remained covering him."

In a statement to the police, Holmes said that there was absolutely no intention to touch the woman in a sexual way.

He added: "At no time did I touch her breasts or genital area.

"I am certain that I did not ask the therapist for 'extras' and I am adamant I did not point to my groin at any time.

Holmes, of Richmond, Surrey, denies one count of sexual assault.

The case continues.

# TEEN 'LOOKED FOR BOMB INGREDIENTS ON AMAZON'

## Court told that youngster was radicalised during lockdown

A 14-YEAR-OLD boy developed extreme views influenced by the so-called Islamic State and attempted to make homemade bombs during the coronavirus lockdown, a court heard.

The defendant, who is now 15 and cannot be named for legal reasons, allegedly filmed homemade videos telling viewers how he would "carry out Jihad" and "become a martyr", as well as creating notes on his iPhone which said "women are tools, an object to be used…a sex slave".

Leicester Crown Court heard that he researched rudimentary homemade items to make basic bombs and added some to his mother's Amazon wish-list

Prosecutors allege that the Hampshire teenager made bottle bombs in his wardrobe – adding that notes on his phone had been found with the words: "The extinction of the western race and ethnic cleansing of the colonised land stolen by the western plague."

Jurors heard how the boy had searched an article about ISIS beheading 21 Christians and another about an attack claimed by them on churches in Indonesia.

### Explosive

It is also alleged the defendant had researched and made very basic drawings of a "dead man's switch" – which the prosecution described as "components of an explosive device which enable the bomber to activate a switch despite being incapacitated or physically removed from the control by law enforcement".

Opening the case against the defendant, prosecutor Anne Whyte QC said: "This case concerns the activities of a young person who, we will be suggesting, felt isolated and angry about his personal circumstances.

"He had developed extremist views, radical views, associated with the terrorist organisation, Islamic State.

"This probably happened in early 2020, so this year."

"He had plainly absorbed this offensive and hateful type of message from somewhere."

The teenager, from Eastleigh, denies preparing acts of terrorism and the trial continues.

# Foxy Knoxy lends support to guilty sex cult leader

AMANDA Knox – whose 2009 murder conviction in Italy was overturned – has joined a bid to help NXIVM sex cult leader Keith Raniere.

The 33-year-old (*above*) – aka "Foxy Knoxy" – has signed a petition demanding Brooklyn federal prosecutors answer questions about alleged evidence, jury and witness tampering in the sex-trafficking case.

She said: "I was contacted by some former members of NXIVM who claim that Mr. Raniere has been wrongfully convicted and that the story told in the media is wrong.

"I personally do not know enough about the case to make any judgments about whether his conviction is wrongful or not.

"I signed it because violation of practices would constitute prosecutorial misconduct, regardless of his guilt or innocence."

Raniere, 60, was convicted last year on a slew of charges including sex-trafficking and conspiracy and faces up to life in prison when sentenced October 27.

WANTED SEX: Hope Leach was nicked for assault on her lover

**IF love-hungry Hope Leach ever asks you for sex – it would be in your best interests to say YES.**

Because the last bloke to refuse to fill her sodden, yawning snatch with his hard COCK got TASERED for his impertinence!

According to cops Leach, 35, was charged with domestic assault after she began arguing with her lover because he did not want to have it off with her.

**By COLIN HURST**
news@sundaysport.co.uk

She claimed she tasered him when she thought that he was going to throw his phone at her.

Police Officers turned up at America's Best Value Inn in Nashville, Tennessee, and quizzed Ms Leach, who said that her lover Ron Joslin had argued with her.

She said that it all started because he did not want to have sex, then he raised his hand as if he was going to throw his mobile phone at her.

It was then, she stated, that she activated her taser but it did not touch him. He forced her onto a couch and held her down to take her phone and taser.

She said that he took both and fled.

Officers noted in their report that she had no injuries other than a broken fingernail.

Joslin, however, said that Leach argued with him about money that he owed her and she threatened to tase him if he didn't give it to her.

He also said that she tasered him several times before he got her phone and taser away from her in self-defence.

The cops noted that Joslin had a cut on his upper lip and held his gut due to the tasing.

America's Best Value Inn security footage showed Leach tasering Joslin several times then grabbing his things.

Having seen enough, the cops hauled her off to the downtown lock-up.

# Netanyahu got White House to wash his undies

CRAFTY Israeli PM Benjamin Netanyahu took his dirty laundry with him on foreign trips to take advantage of his hosts' free dry cleaning for visiting dignitaries!

Netanyahu, 70 (*above*), and his wife Sara got a reputation for lugging bags and suitcases of dirty clothes on foreign trips to be laundered at another country's expense, a practice noticed by staff at the White House guesthouse.

An an unnamed US official there said: "The Netanyahus are the only ones who bring actual suitcases of dirty laundry for us to clean. After multiple trips, it became clear this was intentional."

The Israeli embassy in Washington said the allegations were "absurd", and aimed at distracting from Netanyahu's recent visit to the US, where he signed accords to normalise relations with the United Arab Emirates and Bahrain.

Designers Namilia have roped in a bunch of grumble stars for their latest "fashion show".

As the deadly virus has put the kibosh on traditional shows, Namilia is showing off their new lines in a short film called *Herotica*.

The flick features a diverse cast of Pornhub models including Asa Akira, Ana Foxxx, Daisy Taylor, Janice Griffith and Rae Lil Black.

## Thrilled

It's the first time a fashion film has been created exclusively featuring Pornhub babes.

Pornhub boss Corey Price said: "We are thrilled to launch the *Herotica* film along with the Namilia capsule collection. It truly embodies our values of female empowerment, creativity and self-expression".

Namilia designers Nan Li and Emilia Pfohl created the collection of five looks comprising "a world where women are in charge of the dialogue, the narrative, and every inch of their bodies".

Nan Li blathered: "The cosmos of sexual pleasure has been restricted to a few boring and chauvinistic narratives for the pleasure of the male gaze, up until rather recently. Porn isn't something existentially male, most women just have been previously excluded from determining the narrative".

Whatever that means.

Anyway, here are some tits...

# Fined after threat to rub cock in cop's face

A MAN who threatened rub his PENIS in a cop's face has narrowly avoided a jail term.

Jason Flynn, 33, of Granard in the Republic of Ireland, was drunk when the police found him at 2am.

Sgt Paddy McGirl told Granard District Court: "He was in a doorway, intoxicated, and started shouting abuse at the police, telling them to, 'F off'.

"He followed the police out of the house and continued to shout at them. He told one of the officers that he'd rub his penis on his face and carry out a sex act on the officer's mother.

"He also said he'd get the officer to carry out a sex act on him."

Defending solicitor, Bríd Mimnagh, said her client was entering a guilty plea to the charges, adding: "He apologises for his outrageous comments. He was totally drunk.

"He's on a short rein from the Circuit Court, for a serious domestic assault."

Instead of jail, the judge ordered Flynn to pay £500 compensation.

ALWAYS HOME OF TOPLESS BABES

LAST week online retailers warned us to start thinking about our Christmas lists early as it may be a struggle to get pressies delivered this festive season.

But what 30G Sophie Parker wants isn't in any shop – online or otherwise.

## Naughty

Because the 26-year-old from Birmingham has a secret yearning for GROUP SEX!

Sophie said: "It'd be incredibly arousing to allow myself to get carried away and get it on with as many sexy guys and girls that took my fancy.

"There's something just so naughty about group sex – it's definitely on my bucket list!"

## Two years in prison for sex with ex's son

By JAYNE FERGUSON
news@sundaysport.co.uk

**A POLICEWOMAN who pleaded guilty to having sex with the 16-year-old son of her former boyfriend has been sentenced to two years in jail.**

Shauna Bishop, 46, was a rising cop in April 2019 shortly after she ended a year-long relationship with a colleague.

The man told his ex-wife that he was uncomfortable with the way that Bishop behaved around their teenager.

### Drinking

But the ex-wife had been on friendly terms with Bishop, who was invited to her home to speak to the boy about his drinking and use of marijuana, according to court documents.

On April 28, 2019, Bishop was invited to spend the night at the ex-wife's home.

After the mother fell asleep, Bishop went to the boy's room and engaged in intercourse and oral sex with him, taking his thick meat to the back of her throat and swallowing his semen, police said.

Two weeks later, the boy told his 19-year-old sister. She then told her mother, who notified police.

BONKED TEEN LAD: Ex-cop Shauna Bishop

Bishop told cops that she was under the influence of Ambien, a sedative to treat insomnia.

As part of a plea deal, she agreed to plead guilty in July to unlawful sexual conduct with a minor. In exchange, prosecutors agreed to dismiss four other charges. She will probably just serve a year behind bars.

In addition to jail time, Bishop – now a dismissed sheriff's deputy in Sacramento, California – will be placed on five years' probation and have to perform 180 hours' community service, as well as register as a sex offender.

## Colosseum carving could cost tourist

**AN Irish tourist has been accused of defacing Rome's Colosseum after security staff caught him carving his initials into the ancient structure.**

**The 32-year-old man, who was not identified, was spotted by private security at the tourist spot and reported to cops.**

**He allegedly used a metal point to etch his initials on a pillar of the first floor of the building, which is considered one of the seven wonders of the world.**

**Police charged him with damaging an historical landmark.**

**The crime carries a penalty of up to one year in prison or a £2,000 fine.**

**"It is a monument that deserves everyone's respect because it belongs to everyone, and it must remain so," archaeologist Federica Rinaldi said.**

# OAP BEAT MAN FOR MASK FAIL

A 71-YEAR-OLD woman was arrested after twatting a male neighbour who refused to wear a mask inside a lift at their apartment block.

The confrontation resulted in an assault charge against Suzanne Miller.

According to an arrest report, Anthony Derosa, 54, told cops that Miller "became upset and started getting loud" when he declined to put on a mask.

Derosa, who was returning to his apartment after picking up his mail in the lobby, said that Miller told him she "didn't feel comfortable riding the elevator with someone who wasn't wearing a mask."

She allegedly began yelling, "He's assaulting me," and when Derosa still refused to leave the lift, Miller started punching him.

After hearing from a witness and seeing video of the incident at the complex in Jensen Beach, Florida, police carted Miller off to the nick pending a trial.

**WHO knows where social media trends come from?**

Maybe they're sprinkled into the sleeping minds of "influencers" by fad fairies during the hours of darkness.

Maybe they're devised by Kremlin-based techies in some as yet undiscovered plot against western civilisation.

Whatever their source, they provide hours of fun for the ogling public.

### Arses

The latest trend is for ladies to pose wearing not very much on their balconies.

Like modern-day Rapunzels, the celebs stand there – but rather than letting down their golden hair, they flop out their surgically-enhanced arses.

Reality stars have joined the trend and *Love Islanders* are also among the culprits who've jumped on the fad.

It's as good a reason as any to showcase five pages of Babes on Balconies!

## Two innocent people cared for him – he repaid them by killing them

# FRIENDSHIPS BETRAYED

**CARING:** Beryl Maynard befriended Cook when he was in jail

FREED...TO
KILL
AGAIN

**NEIGHBOUR:** Leonard Hill was strangled to death by the fiend next door

**By KOURTNEY KENNEDY**

news@sundaysport.co.uk

**BERYL Maynard was one of life's good people.**

A committed Christian and Sunday School teacher, she truly believed in the teachings of Jesus.

First and foremost, she believed in the forgiveness of sins.

The 37-year-old put this belief into practise, volunteering as a visitor at Reading Prison and writing to locked-up criminals who she contacted via the letters pages of a Christian magazine called *Buzz*. One of the residents of Reading Prison – and one of the readers of *Buzz* – was David Cook.

### Robberies

He was, to put it mildly, NOT one of life's good people.

Cook, a former weightlifter who had worked at Alfred's Head Gym in Reading, was locked up for a string of aggravated robberies committed in the 1980s.

During the robberies, he tied up his victims using tape, wire and cord.

Cook answered Beryl's ad and the two started communicating by letter.

And they got on so well that, on his release, Cook was invited for a meal at Beryl's house.

Cook repaid that Christian kindness by killing her.

**KILLER'S ABODE:** Evil David Cook's home next to Leonard's

Months after the dinner, Cook returned to Beryl's house, only this time he wasn't after food – he was after her money.

Beryl's husband, Roger, a postman, discovered his wife's body at their home on November 17, 1987. She had been strangled with the cord of her son's dressing gown.

More than 300 people attended her memorial service at Wycliffe Baptist Church. Minister Bob Archer called her "a saint and a martyr".

Cook was arrested, charged and, after a trial at Reading Crown Court, sentenced to life behind bars.

The world heard no more of David Cook until 2006.

By that time, he'd moved through the system and was being held at HMP Prescoed open prison in Usk, south Wales.

In common with most 'lifers' nearing the end of their sentence, he'd been let out on temporary licence in a bid to re-establish himself in the outside world.

But Cook took the opportunity to do a runner, failing to return to prison to see out the remainder of his term.

### Caught

Gwent Police said he was "considered to be a risk" and appealed to members of the public not to approach him.

He was caught after a week on the run.

But, despite absconding from custody, just three years later he was once again released back into the community in 2009 on 'life licence' by the probation service.

Cook then moved to Rhymney, south Wales, where he befriended 64-year-old next-door neighbour Leonard Hill.

Prison hadn't changed Cook and, after running up £5,800 of debt, he quickly went back to his old ways.

And the most obvious target was his mild-mannered neighbour.

During a desperate search for cash in Leonard's house, Cook battered him senseless. He then wound a TV

IN FRIDAY'S

DANGER: David Cook was considered a risk yet he was still released from prison

cable around his neck and strangled him to death.

Cook proceeded to ransack his neighbour's bungalow, then went to the village pub to buy drinks with the money he stole.

During the following days, Leonard's friends reported him missing. He had failed to turn up at a day centre that he regularly attended.

Cook, who had gone to stay at a B&B in Cardiff, was contacted by police on his mobile phone to ask if he knew anything about his neighbour's disappearance.

## Message

On June 26, 2011, 12 days after the killing, Cook informed his parole officer, Nicholas Hopkins, what he had done, leaving a message on his phone.

On the message, Cook says: "Hi Nick, it's David here. Could you give me a ring?

"I've done something terrible. I've killed my neighbour."

He then handed himself in to police at Swansea railway station.

For the second time in his life, Cook was arrested for murder He went on trial in May the following year.

At Newport Crown Court, prosecutor David Aubrey QC said: "This was a brutal, determined and merciless killing.

"When David Cook killed Leonard Hill he had been released from prison on life licence, having previously been convicted of the murder of a woman in Reading."

Mr Aubrey said nobody but the defendant knew for certain exactly what had occurred on the day of the killing in June 2011.

"What is clear is that he beat Leonard Hill unconscious or semi-conscious," he said.

"He then bound and gagged him using a pillow case and throttled him until he was dead.

"He concealed Mr Hill's body in his own bungalow and went on to build a barricade around it using various pieces of furniture."

The court heard that, two days after the murder, Cook received a home visit from members of the team overseeing him in the community.

They later told police that Cook had acted "perfectly normally", making them coffee and chatting.

"All the while, the concealed corpse of Leonard Hill lay in the bedroom of the house next door," Mr Aubrey said.

Cook admitted killing Leonard but he denied murder. He claimed he had lost control and killed him after his neighbour had made a sexual pass at him by touching his genitals.

## Testicles

Cook told the jury: "He sort of smiled at me and grabbed my testicles.

"It was like a cupping movement with his hands. It was quite an aggressive movement.

"The rage came and that was it.

"I remember punching him with my fist on his jaw and he went down and got back up again.

"Then, to be honest, I can't remember much. I was in such a rage.

"I remember tying him up, gagging him and then killing him."

But it was all a lie. Leonard Hill was not gay.

When police searched the dead man's home they found numerous newspaper cuttings of topless models along with 200 magazines containing pictures of naked women.

The jury took less than an hour to find Cook guilty of murder.

Telling him that, this time, life would mean life, Judge John Griffith Williams QC said: "This is the second murder you have committed.

"The seriousness of this offence is extremely high and I have to impose on you a whole life order.

"That means you will never be considered for release."

The judge added: "You are a pathological liar who will say anything to further your self-interest.

"You lied after murdering Beryl Maynard and you lied after murdering Leonard Hill.

"Leonard was an anxious, private, heterosexual man whose alleged behaviour was the very antithesis of his true nature.

"He described you as a good person – just like Beryl Maynard did, who befriended you while you were in prison.

"You murdered her for small gain and you took the same advantage of Leonard Hill when you needed some money."

Leonard's sister-in-law, Carol Hill, said that she was "disgusted" at how such a violent criminal was able to simply move in next door to him.

## Failings

She said: "The failings lie firstly with whoever did the risk assessment when David Cook was let out of prison, because when he escaped from an open prison earlier he was deemed to be dangerous.

"I need to know whether the probation services knew he had all this debt.

"Actually, I need lots of answers."

Sadly, any answers will come too late for the families and friends of Beryl Maynard and Leonard Hill.

# NUTTER BOILED MUM'S HEAD IN SAUCEPAN

DENIAL: Joel Guy Jr

## Son dissolved parents in acid, a court hears

**A LAZY son murdered and dismembered his parents before cooking up a "diabolical stew of their remains" and leaving his mum's head in a saucepan, a court heard.**

Joel Guy Jr allegedly knifed his dad Joel Sr, 66, and mum Lisa, 55, to death at Thanksgiving 2016, before chopping them up and trying to boil and dissolve them in acid.

At his trial in Knoxville, Tennesee, prosecutor Leslie Nassos said: "The killer put Lisa's body parts in one container and Joel Sr's in another, then covered them with a corrosive substance, and left them there to liquify into a diabolical stew of human remains."

Ms Nassios gave grim details of how Guy Jr, 32, allegedly sliced his parents apart, separating their limbs from their bodies, and of how he had "broken off" his mum's head from her spine before sticking most of their remains in blue plastic containers which he then filled with acid.

Ms Nassios said: "He got out a stockpot, placed her head in the pot, filled it with liquid, carried it over to the stove, covered it, turned on the stove, and left it there to cook. This was a monstrous crime."

**By JUSTIN DUNN**
news@sundaysport.co.uk

It is claimed Guy Jr slaughtered his parents after they confronted him over his never-ending studies and told him they were withdrawing financial support.

The suspected killer is said to have planned to get his hands on a £400k life insurance policy, with one of his siblings confirming he'd been on the verge of having his allowance cut-off.

A journal entry shared with the court read: "Get multiple killing knives … get sledgehammer… crush bones… bring blender and food grinder … grind meat."

Guy Jr is said to have confessed to the killings after his arrest but has since denied murder.

The trial continues.

# #HOT'N' HORNY

MIDWEEK Sport
ALWAYS HOME OF TOPLESS BABES

ONLY a fool or a maniac would argue with the statement that glorious Emma Green is the best thing to come out of Wales since Max Boyce!

Fame has plucked Emma, 26, from the valleys and she now lives in Camberley, Surrey.

But there's no doubt about the 32DD beauty's heritage when she speaks with a divine Celtic lilt – and hearing her talk about SUCKING COCK is as uplifting as hearing the Ebbw Vale Male Voice Choir sing Men of Harlech.

## Dick

She revealed: "I like a man with good teeth – and a big dick!

"I just love giving a guy oral, it always gets me in the mood for amazing sex.

"And without bragging, I have a serious talent it. I love looking up and seeing his reaction as I take his whole package in my mouth. Plums and all!

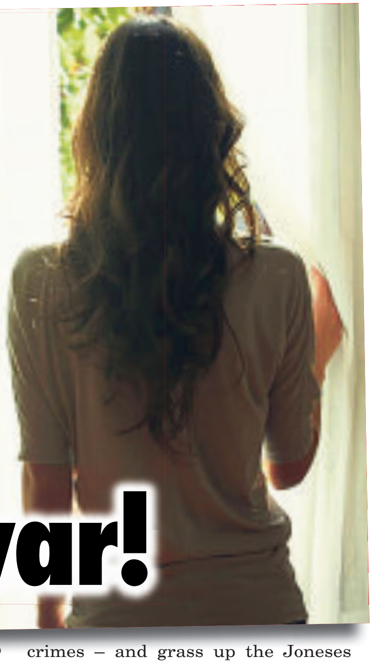
"I like receiving too, because it just feels amazing.

"And I also enjoy a nice 69-er, because then we're both happy!"

# JUSTIN DUNN'S ROOM 101

## WHAT'S ANNOYING HIM THIS WEEK?

# Snitch law could spark civil war!



**EVER had a row with your neighbour?**

Stormed out of your front door to complain about his kids kicking the football against your garage?

Shouted at his mates for carelessly parking across your drive?

Asked him to turn the music down seeing as its four o'clock in the frigging morning?

Then you'll know how frosty things quickly then become – and with little hope of a thaw.

We used to live next door to a moron whose out of control German shepherd, that he let roam free in our shared drive, would frequently attack our gentle collie as we took her out for a walk on a lead for no reason other than it could.

### Dickhead

It wasn't the neighbour's dog's fault – she was just lumbered with an aggressive dickhead for an owner – but when the fur flew it could leave our pooch a quivering wreck.

So chatting over the fence about the weather or the roses was definitely not part of our shared repertoire.

These are unpleasant, uncomfortable problems already faced every day by people up and down the United Kingdom – and it's about to get much, much worse.

The Government now wants you and me to police their ludicrous semi-lockdown rules (although how you can have a semi-lockdown is beyond me).

From now on, keep your mobile handy to be ready to call the Feds if – shock, horror – someone who doesn't normally live at next door's house actually turns up there.

Ignore the Extinction Rebellion and Black Lives Matter mass protestors, all gathering together with no social distancing or the refusal to wear facemasks and committing actual crimes – and grass up the Joneses instead.

This open intention to turn a nation of curtain-twitchers into out-and-out snitches is madness on stilts.

I don't know if Boris and Cummings have noticed, but this is a country still split down the middle over Brexit.

Families and friends remain split, rows still break out in pubs four years after the referendum, and even in Westminster, where the issue is grudgingly settled, resentment continues to simmer.

So what to do to find a way of instilling some calm into this febrile, tinderbox atmosphere?

Yep – splash some petrol on it, toss in a lit match, and sit back and watch society burn.

What's to say that my old neighbour, who still lives nearby, doesn't call the cops for fun claiming I'm having a party, even if I'm not?

What's to stop Flick-knife Freddie from taking revenge on old Ethel who'd called police after he had one too many people round to watch the match?

### Target

Who's genuinely going to take on the role of wearing a hi-viz gilet with a target on the back without demanding a subsequent witness protection programme for life?

And all for what?

A bloody virus that harms the most vulnerable, yes, but does far less and in most "cases" no harm to the rest of us.

Turning neighbour against neighbour is not just badly thought out – it clearly hasn't been thought out in the slightest.

That's not just a wilfully inept instruction that might cause perhaps a row or two.

It's the kind of action that could spark a civil war.

# Tree crash woman in bee horror

A WOMAN was stung many times after a tree containing a nest of bees crashed through her bedroom ceiling and pinned her to her bed.

The tree collapsed through her house in Mobile, Alabama, as the state's coast was hit by Hurricane Sally.

Rosetta Kimbrough (*above*) said she had fallen asleep for "about 20 minutes" when she was awakened by a crashing noise.

She said: "I open my eyes and to the right of me is a tree branch in the room – in the bed!

"And to the left, I had a board going across my chest and one going across my legs, so I wasn't able to get out.

"I was able to hear but I wasn't able to see because the ceiling came down, too."

It was then that a swarm of bees from a nest in the tree-filled room attacked her.

Rosetta's husband, unable to pull her out of the wreckage, called the emergency services, who later treated her for mild concussion.

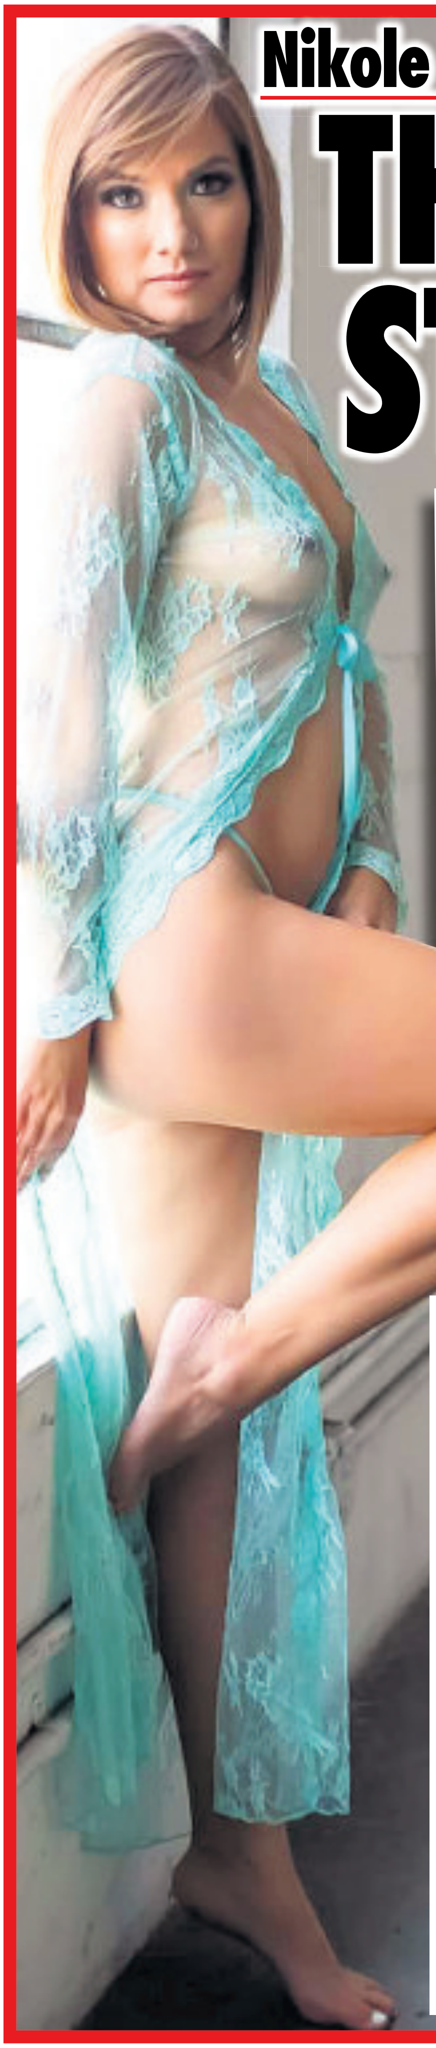
## Nikole quits the pulpit for sexy new job...

# THE VICAR IS A STRIPPER!



**HOLY SH*T: Nikole got out of the pulpit and then out of her clothes**

**BACK in 1997, the band Mansun sang about a *Stripper Vicar*.**

Now meet a real-life reverend who's turned to the flesh-baring game!

Growing up in a strict Baptist family, Nikole Mitchell was expected to be quiet, reserved and sweet – but her dreams weren't as conservative.

Nikole, who now works as an erotic dancer on OnlyFans, said: "From a young age, I had fantasised about being a stripper but I was indoctrinated to believe my desires and my body were innately sinful and bad."

**By JUSTIN DUNN**
news@sundaysport.co.uk

So instead of baring all, the mum-of -three went all-in on religion – and became a pastor.

## Minge

But her true identity began to unfurl when she attended a LGBT theatre performance in 2016 and she realised she liked MINGE as well as COCK.

So after giving a sermon on a July 4th weekend in 2017, Nikole left the church for good.

She knew that she wanted to delve deeper into her own sexual desires and signed up for a class called Sexpress You.

Nikole said: "It was all about expressing your sexy self and that was just what I needed."

Right after, she linked up with a photographer to do her first nude photoshoot. Afterwards she said she cried.

She explained:"I had never felt more holy and sacred in my life. I had never felt more sexy and liberated."

Thrilled with her new calling as a stripper and erotic model, Nikole launched an OnlyFans account where she posts explicit photos and vids in exchange for money.

She said: "I started off really timid, but now I'm at the point where I take personal requests and make videos tailored to people's desires."

Nikole moved to Los Angeles last year and divorced her husband.

She says: "My sexuality is incredibly healing and sacred, and when I give this gift to people, it blesses them."

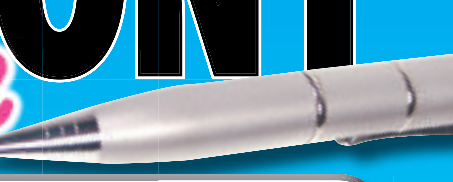
# THE WORLD FAMOUS AGONY Page



## Dear Lexi,

AS far as I'm concerned, there's nothing quite like a bouncing pair of MASSIVE boobs.

I've no idea what started this fantasy of mine, but I'm pretty sure it's all down to a young lady who used to live across the road from me when I was a lad.

She had a great set of lungs on her!

I used to ogle her from my bedroom window all the time, especially when I saw her leaving the house all dolled up for a night out with her enormous boobs struggling to escape from a tiny top or low-cut blouse she was wearing.

Needless to say, I used to give my cock a good thrashing as I thought about playing with those amazing boobs.

I'm in my 20s now and I need more than a handful from women I meet on a night out.

Is this weird?

*JM, Tyneside*

**Lexi says…**

**YOU come across perfectly normal to me.**

## Dear Lexi,

I'M happily married and enjoy a pretty good sex life, but out of the blue my hubby told me he wanted to shag another woman while I watched.

To his obvious shock and delight, I was turned on by the idea, so we set about arranging it and we found a girl on the internet.

She arrived at our house and looked even better than her photos. And I could see my hubby fancied her.

We had a few drinks and went to the bedroom, where they had oral, vaginal and anal sex while I looked on.

My husband is like a new man since then.

What he doesn't know is the same woman came on to me and I've contacted her for a lesbo session.

Do you think he'd like to watch?

*PL, Sussex*

**Lexi says…**

**ARE you kidding? He'd likely pull his cock off.**

# Horny lingerie lover got me undie her spell

## Dear Lexi,

I WAS made redundant from a clerical job and decided to have a complete change of occupation.

Don't laugh, but I got a job as a market researcher for a lingerie company.

Some women don't want to discuss such matters with a fella, but some are really keen and love talking about their likes and dislikes.

The most obliging woman I met was 35.

She had a gorgeous figure and she giggled flirtatiously as I went through the bra and pantie quiz.

When I got to "What colour knickers do you prefer?", she replied, "Pink."

And she proved it by lowering her jeans to reveal a nice thong. Then she told me to get my dick out, which I duly did.

She quickly pulled her thong to one side, straddled me and lowered herself onto my rock-hard cock.

She cried out in ecstasy as she bounced up and down, and I must admit that I shot my load within minutes.

Afterwards, she stood up, pulled up her thong and jeans and showed me to the door, asking me to call again.

What should I do?

*MB, east Midlands*

**Lexi says…**

**SILLY question. Keep taking her knickers to put on and take off again.**

# Gorgeous boss puts on live sex show at work

## Dear Lexi,

**I FANCY the arse off my married female manager.**

At 42, she's 14 years older than me but has a killer body and legs that go on forever.

She's always very well dressed in expensive gear and her skirts are so tight you can always see the telltale signs of her suspender belt underneath.

The other day in work, her immediate boss – a burly bloke in his early 50s – came down to see her about 15 minutes before we all normally finish.

### Moaning

She's normally pretty strict when it comes to time-keeping, so I was a bit surprised when she sent me home early.

Anyway, I was just about to jump in my car when I realised I'd forgotten my keys and so I went back to the office.

As I got there, I could hear my boss moaning really loudly, so as her door was slightly ajar I went to investigate.

I couldn't believe my eyes as I peeked in and saw my boss lying back on her desk with her legs flung up in the air.

And I was even more gobsmacked to see her manager flicking his tongue in and out of her pussy as he gave her clit a good rub.

My boss was so turned on that she ripped open the front of her blouse to reveal a magnificent pair of milky white tits which were desperately trying to escape from her black lacy bra.

She then got her nipples out and began to tweak them as her boss stopped licking her out so he could slowly roll her stockings down her silky legs.

By this time I was rock-hard, so I decided to have a sneaky wank as I watched them.

I don't think I can ever remember being party to watching a live sex show like this before – it was totally amazing, like seeing a porn film in the making!

And I nearly shot my load as he pulled her off the desk, turned her round and bent her over so he could take her doggy-style.

She screamed with pleasure as his throbbing cock entered her dripping wet love-hole.

And she continued to shout out as he pounded into her until they appeared to climax together.

But the problem is, I was still on the vinegar strokes as my boss turned round to kiss her lover and she caught me spying on them mid-wank!

I shot off straight away and she hasn't mentioned it since I've been back in the office.

Now I'm wondering if she's worried I might tell someone and I'm even thinking about whether I should try to blackmail her into sleeping with me.

What do you think?

*NL, south Yorkshire*

### Lexi says…

**FORGET it. You'll end up sacked or in jail.**

# Sunday Sport got me into bed with blonde

## Dear Lexi,

WHILE my girlfriend was away visiting her folks, I went to the pub on Sunday afternoon and sat quietly with a pint and began reading the paper.

I went to the bar to get another beer and when I came back to my seat a beautiful blonde was at my table, flicking through my Sunday Sport.

We got chatting about the girls in the paper and she confessed she had always wanted to be a glamour model, but she didn't really have the figure for it.

I jokingly told her to prove it – and she suggested we go back to her place.

As soon as we got through the front door she whipped her top off and fished her massive jugs out of her bra.

The beer must have given me confidence, because I just went for it and we started snogging passionately.

### Splashing

Then she dragged me off to her bedroom and slipped out of her jeans and panties.

She lay on the bed, so I licked her out and then she sucked me off. She took me to the back of her throat and she gently stroked my balls – it was amazing!

Looking down at her big tits was a massive turn-on and I only lasted a couple of minutes before splashing my hot fat all over her face.

After a bit, we screwed properly – all evening, and in every hole. She was really athletic in bed, bending herself into all sorts of positions.

Now I am worried that me and my girlfriend might bump into this woman.

*KR, Lancs*

### Lexi says…

**KEEP away from that pub for a while.**

## Dear Lexi,

**MY fella has been trying for ages to persuade me to have anal sex.**

**And last month, for his 30th birthday, I finally granted his wish.**

**He had been trying to get me to do it since we first met and fell into bed.**

**I wasn't being prudish or anything – in fact I love experimenting with sex positions and even wear all kinds of kinky underwear for him.**

**But up until recently, I had always said no to anal sex, leaving him grumpy and disappointed.**

**I guess I just thought it was going to hurt too much, so I always shied away from letting him stick his willy up there.**

**I did let him rim me a couple of times and he's eased a fingertip into my bum once.**

**But when we did it for real, I was in for a real shock.**

**I loved it – especially when he played with my clit at the same time.**

**Now I can't get enough bum lovin' and last week I let my man shag me up the arse with a large cucumber while he shagged me up the front bum.**

**As you can imagine, he loves the new me!**

**But do you think I'm becoming addicted to anal?**

***KD, Essex***

### Lexi says…

**DON'T worry. This bum deal is great for both of you.**

# 'One of us would ride his stiff cock while the other sat on his face!'

**MY greatest sex fantasy is having a guy and a girl at once!**

I'm straight but have played around with girls a few times and really enjoyed it.

Both sexes together would be wild, it would absolutely be the best of both worlds!

## Bulging

I love watching threesome porn. I imagine I am with the guy and girl and we are all drinking and getting tipsy and then one thing leads to another.

Me and the other woman put on a sexy show for the fella. His eyes are bulging as we snog, remove each other's clothes and caress each other's boobs.

I would soon be on my back getting licked out by the other woman while the bloke pounds her doggy style.

Another hot position is the guy flat in his back with one of us riding his stiff cock while the other girl sat on his face – us girls would be facing each other and would be able to kiss and touch each other's titties.

Oh my God, this fantasy is *sooo* hot... I have to do it soon! I'm going to sign up for a threesome app today!

# #HOT

RED hair, big boobs and cute little nipples just begging to be sucked.

Can Jaye Rose get any better?

Actually, yes.

Because the 30EE Cardiff cracker revealed she also likes a probing togue in her NIPSY!

She said: "I love getting rimmed. Nothing feels as taboo and filthy as having your arse licked!"

And that's just for starters as the flame-haired temptress is a huge fan of back-door play.

## Orgasms

Jaye, 26, purred: "I've got particularly sensitive nerve endings back there and I have had some really deep orgasms.

"But listen up, don't just ram it in, or that will hurt!

"A girl has to relax her anal muscles for the best experience. That means taking it slow.

"I like a guy to take his time with anal foreplay, so some fingering with lots of lube is a good way to start.

"And then, when I've got to the point that I'm gagging for it, the guy can gently slide his cock in – awesome!"

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

*We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!*

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

# amelia FOX

**WELL, she never looks like this on *Silent Witness*...**

**No, folks. You're thinking about EMILIA Fox.**

**This is her very near-namesake AMELIA.**

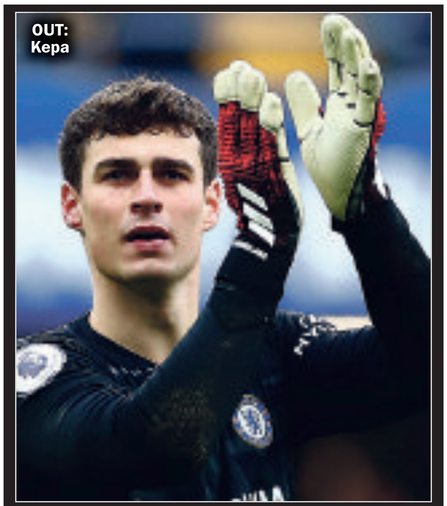
**And while posh actress Emilia is no slouch when it comes to getting her pert boobs out, Amelia shows off considerably more on raunchy Babestation.**

## Randy

**The 23-year-old Brighton babe said: "I love showing off and love performing.**

**"And yes, let's be honest, I love being naked and playing with myself, knowing it's making guys out there randy."**

**Amelia, who has 32C boobs added: "And it's a great way to show off my tattoos, which I'm really proud of."**



**OUT:** Kepa

# Kepa eye out for gloveman to play again

By JOHN ANTHONY

KEPA Arrizabalaga could fight his way back into the Chelsea team says boss Frank Lampard.

The Londoners have just shelled out £22m for Edouard Mendy from Lille and No2 Willy Caballero played against West Brom at the weekend.

That wasn't the best of decisions by Lamps as the Baggies smashed three past the veteran gloveman while Kepa watched on.

IN: Mendy

And it seems Mendy isn't an automatic first choice at the Bridge. Either that or Lamps is trying to recoup at least some of the huge £71m they paid for Kepa just two years ago.

Lampard said: "I certainly won't go to the point that he has played his last game for Chelsea.

"I think it has been a difficult time for Kepa, that has been well documented, I know it and he knows it, but we should certainly not jump to that conclusion.

"Also I think, which I have felt quite strongly about in the last week, is also understanding Kepa is a young man and the spotlight on him, I think, has become slightly unfair.

"I have to protect him because I know he is a good lad and playing with absolute professionalism and intent to do the best that he can, as all the squad have to."

There could be more comings and going at the Bridge before the transfer window closes on October 5. Chelsea have already been one of the busier sides and Lampard is looking to offload some of his fringe players who have no future at the club.

One of those is Victor Moses who isn't even in the first-team bubble any more.

Lampard is looking to move the Nigeria international winger on in the next few days.

He said: "At the moment Victor isn't in that squad position with us.

"We have a bubble at the training ground with the first-team squad, which Victor hasn't been part of.

"I know Victor well and we will see how that develops over the next week."

Moses spent much of last season at Inter Milan with former Chelsea boss Antonio Conte.

He was a regular as they finished second in Serie A and could return to Italy.

BACK PROBLEM: Lampard

# OUR FOOTY NEWS IS BACK OF THE NET!

**POWERFUL:** Ruben Dias *(left)* can make a major impact for Pep Guardiola

# £62M BUY DIAS WHAT CITY NEED

## Ruben will plug gaps for Pep says pal

**RUBEN Dias will totally transform the Man City defence.**

That's the view of Jose Fonte who knows English footy well thanks to his time at Southampton.

He plays alongside Pep's £62m signing for the Portugal national team.

And he believes Dias is just the player City need.

Fonte said: "Ruben is one of my favourite young centre-backs.

"He's only 23, but he shows great maturity.

"He has a great work ethic. He wants to learn, he wants to improve. He observes the great defenders, he's interested in knowing the game.

By PAUL THOMAS

So, for me, it's a great acquisition for Manchester City. They're getting a top, top player, who wants to get better and better and that's very important.

"He's humble. He's very, very skilful with the ball at his feet. He has a good pass between the lines. He reads the game well, he attacks the ball well in the air. He's strong in the duels.

"They're getting a very good player. I have no doubt he's ready; he's been playing at the highest level for the last two, three years.

"He starts every game for the national team, as well. He has a young body, but an older mind.

"So I think he's ready. He's going to be excited to show what he's capable of.

"If Manchester City need him right now, they can use him."

### Struggling

One thing City fans are asking for is a leader at the back. That seemed obvious when Leicester put an unlikely five past them at the Etihad on Sunday.

They missed Vincent Kompany big-time last season and Fonte is backing Dias to add plenty of steel to Pep's struggling back line.

He added: "He leads by example. Like I said, he is a hard-working boy, he's always in the gym wanting to get better. He takes care of what he eats, he's very, very talkative.

"He likes to communicate, that's one thing I like about him. He talks a lot.

"He gives instructions, he commands from the back and that's very important for a defender. So he's already a leader."

With Dias on his way, that spells the end of City's pursuit of Kalidou Koulibaly.

Guardiola was keen to bring the Napoli stopper to the Etihad but the Italians priced him out by asking as much as £80m for the 29-year-old.

# Reds now faves to Kop title at 10/11

STUNNER: Pep's lads are drifting after Leicester loss

**LIVERPOOL are favourites to retain their Premier League crown for the first time since betting began on the 2020/21 season.**

The move comes after their comfortable 3-1 success against Arsenal at Anfield on Monday which came hot on the heels of Manchester City's 5-2 home defeat to Leicester on Sunday.

The Reds are now a shade of odds on at 10/11 with bet365 to follow up with City out to 13/8 with William Hill.

Brighton made Premier League history when they hit the Manchester United woodwork no less than five times at the Amex on Saturday and the clubs – if not the teams – face-off against in the last 16 of the Carabao Cup this evening.

## Frustrated

Ahead of last night's clash between Spurs and Chelsea, holders Manchester City were 11/4 favourites to land the Carabao Cup with Betway, Liverpool 6s, Chelsea 7s, Manchester United 15/2, Everton 9s, Arsenal 10s and Spurs 14/1.

Ole Gunnar Solskjaer continues to be frustrated in the transfer market, but it is better to be lucky than good and the Red Devils certainly had luck on their side at the weekend.

Solskjaer's side face Spurs and former United boss Jose Mourinho at Old Trafford on Sunday and he is sure to rotate his squad although I would suggest there are places up for grabs in the starting XI on Sunday especially in the centre of defence and in midfield.

CharlieMcCann.co.uk
Tips, News and Betting Offers

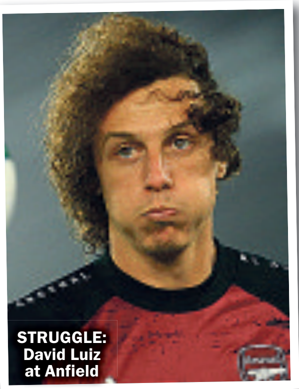
United are a best price of 37/40 with BetVictor with the Seagulls 13/4 at Unibet and the draw a general 13/5.

At the prices I would give the hosts the nod and the recommendation is Brighton and the draw at 19/20 with Unibet.

Everton entertain West Ham in another all-Premier League tie this evening with Alan Irvine but not David Moyes returning to his former club. The Blues maintained their 100% record with a battling performance at Selhurst park at the weekend while West Ham were excellent against Wolves and will not be lacking in confidence.

I know many Evertonians who are as excited about the signature of left back Niels Nkounkou as any of the higher profile arrivals this summer and the young Frenchman has certainly caused a stir at Goodison.

He will – in time if not in the short term – give Carlo Ancelotti the opportunity to play Luca Digne as a left sided central defender or on the left side of a back three with Nkounkou fitting in on the left side of midfield.



STRUGGLE: David Luiz at Anfield

West Ham will play a strong side at Goodison and this will be a real test of Ancelotti's squad.

The hosts are 8/11 with the Irons 4s at bet365 and the draw at 3/1 with Unibet.

Both teams to score is 4/6 at Betfred and that is the recommendation.

Liverpool entertain Arsenal for the second time in 72 hours tomorrow and both sides will rotate their squads.

I was disappointed to see Mikel Arteta leave out Brazilian defender Gabriel earlier in the week and restore David Luiz to his three-man defence.

## Compensation

I knew Luiz would struggle to cope with Liverpool's front-three and was looking forward to seeing how Gabriel would cope. We are none the wiser.

Liverpool are 21/20 to gain a quick double over the Gunners who are 5/2 with vbet to gain quick compensation for Monday's reverse.

Both sides will play strong Xi's irrespective of how many changes there are from earlier in the week.

I would be surprised if we did not see goals and both teams to score is again the recommendation at 4/7 with William Hill.

The sides met in the corresponding round last October and it finished 5-5 remember!

BIG IMPACT: Diogo Jota

# JOTA HAS THE LOTTA BOOMS KOP BOSS

By ANDY MILLOM

**JURGEN Klopp says new Liverpool signing Diogo Jota has made a sensational start to life at the Kop. And he is warning the Premier League that the Portugal forward is only operating "at 20%" so far.**

**The Anfield gaffer was delighted to see his £40m summer arrival from Wolves hit the target on his Premier League debut for the club.**

**That was during the 3-1 victory against Arsenal that has sent out a message that the champions will be hard to knock off their perch.**

**And Klopp thinks the 23-year-old will be a major asset in the coming months. He said: "I'm really pleased for Diogo Jota. Top, top guy. It's so difficult to improve a team like ours.**

**"He's been on my list for two or three years, he's here now.**

**"He's on 20 per cent of information on what we do exactly. We had meetings to talk about but it all will take time and he had like 60 or 70 minutes' time to see how Sadio is doing it, and came on the pitch and did incredibly well.**

**"He scored a super goal, nice first game at Anfield — he will never forget it, I will never forget it, so cool start!**

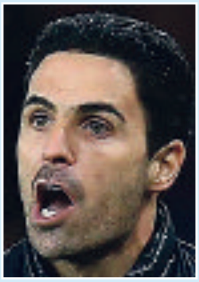
**"It was a really good game, I loved pretty much each second. I didn't like obviously the goal we conceded but the reaction afterwards I really liked a lot.**

**"We were dominant, we played football, we were difficult to defend, attitude great, played some really great stuff.**

**"Arsenal had not too many but some chances because they have real quality."**

**Gunners boss Mikel Arteta has earned rave reviews for the way his new-look side have started the season.**

**But he admits that there's still a massive gap to bridge before his team can challenge for the title again.**



BIG GAP: Mikel Arteta

**The Spaniard believes Liverpool will be even better than last season when they fell just short of the 100-point mark in finishing on top.**

**He said: "They have done a lot of good work. They have a lot of belief in the way they play, they have had great recruitment and have improved the players they have.**

**"They have set the bar, probably the best standard that we have seen in many years. We still have a long way to go."**

# WHAT A HAND BALLS UP

By JOHN ANTHONY

**THE hated handball rule is here for the rest of the season — and maybe longer!**

Football has been hit by penalties galore as the slightest touch on the arm has seen referees pointing to the spot.

Bosses like Steve Bruce and Roy Hodgson have led the calls for the new law to be changed before it totally kills the game.

But it looks as though we are in for a long wait for any changes to be made. That's because the sport's world governing body FIFA insisted that we change our rules to fall in with the rest of the game.

Before, refs were more lenient when it came to blowing for handball.

Now it's a foul even if the defender is looking the other way and the ball is blasted at their arm.

That's what happened to Eric Dier as Newcastle got a last-gasp penno to earn a draw against Spurs. Because it's a FIFA rule the international lawmaker IFAB has to make the change rather than the FA or Premier League.

They don't meet very often and would be unlikely to bring about such a major change during a season.

It means next summer at the earliest for these crazy handballs to change.

Premier League shareholders meet this week and are expected to make their feelings clear.

But the problem is that IFAB don't have another meeting until next March and any changes made there don't come into force until next June.

So it seems that bosses like Bruce will have to put up with the madness — unless British refs just start to turn a blind eye which seems unlikely.

The Toon boss said: "The handball has been around for 100 years.

"If it is deliberate, no problem, but it has to be clear and obvious. We have lost the plot with it and it loses the spectacle of it."

## Mad law here all season
